PTFA News

their support in organising the last school disco of the year. I was in awe of how amazing the discos are now. This is thanks to the inspirational PTFA leadership, our wonderful parent and staff volunteers, our fabulous DJ and all our parents for bringing children along. The children all really enjoyed the occasion and it raised £1002 for the PTFA.

Recently, the PTFA funded the renovations in the courtyard area of school, so now it is a relaxing outdoor space we can use all year round. Shortly, the PTFA will also provide a wonderful celebration for our Year 6 Leavers and their parents/carers.

None of these wonderful additions to our school would be possible without the PTFA. Without the support of all our parents/carers the PTFA cannot function effectively and too much pressure builds on just a few volunteers who do put themselves forward. Over the years, this has resulted in individuals feeling overwhelmed and burnout.

With this in mind, we would like to invite all parents/carers to a PTFA meeting on Monday 3rd July 2023 at 7pm in school to discuss future plans and events for next academic year. Thank you for your support. Amazing things happen when we all work together.

He who travels has stories to tell.
