Live, Love, Learn and Grow in St Teresa's Little Way

Celebrating our Year 6 Leavers.

On Thursday 20th July 2023 at 7pm, parents/carers of children in Year 6 are invited to our Leaver's Party. The event will take place in the church hall. During the evening, food and drinks will be served and the bar will be open for drinks to be purchased.

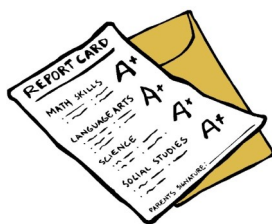

This event is a special occasion in our school calendar as it provides the opportunity for school to celebrate our children individually and as a class as well as give thanks to our families. Unfortunately, siblings of our Year 6 children will not be able to attend.

On Friday 21st July 2023 at 9.30am, parents/carers of all years, but in particular families of our Year 6 children are invited to join us for our Leaver's Mass. We look forward to seeing you at these events.

Reports

Next week, end of year school reports will be sent out to all parents/carers. These will be sent via email from the school office. Different classes will be sent out on different days of the week, due to the volume of emails needing to be sent. However, please expect to receive an email for all children by next Friday.

End of year formal assessment results for Reception, Year One, Year Two and Year Four will be sent out alongside the reports. For Year One this will be the Phonics Test Result and for Year Four this will be the Multiplication Tables Check Result. Year Six SATS results will be returned to parents/carers once school has received them next week.

Change of Time to the School Day from September

Following discussions at recent Governor's Meetings and with some guidance from the DfE in mind, the school day for classes **Reception to Year 6 will finish at 3.25pm from September 2023.** The school day will continue to start at 8.55am with doors opening at 8.45am.

Pre-School hours will remain the same. Thank you.

**Congratulations to Gracie Leyland in Year TwoClass
for receiving the Head teachers Award!**

Gracie shows incredible determination and resilience
in all lessons and in particular in PE and Games activi-
ties. As a result she is making great progress. We are
really proud of her. Not only that she brightens our
school with her lovely nature, sense of fun and big
smile. Well done Gracie!

Congratulations to the following children who were praised this week.
Two children are praised in each class every week. One child receives,
'St Teresa's Award' for showing little acts of kindness to others. The
other child receives, 'The Star Pupil Award' for excellent work, attitude
or effort in class.
